

# Recycle-Rama Action Plan

[www.GreenUpOurSchools.org/RecycleRama](http://www.GreenUpOurSchools.org/RecycleRama)

Plan out a course of action to improve student recycling habits at your school.

Task:	Assigned to:	Date to be completed:
Hold a "Recycling Reminder" assembly for the whole school reviewing proper recycling practices.		
Make recycling posters for the hallways.		
Inspect classroom trash cans & recycling bins on a regular basis. Give out raffle tickets for the classes with no recyclables in the trash can and no trash in the recycling bin. Give a prize to the raffle winner.		
Hold a school-wide competition for the best recycling slogan & logo. Put the winning entry on a large poster by the main office.		
Before the competition starts on February 1, give individual classroom presentations describing Recycle-Rama. Gather signatures on the "Participation Pledge" sheets.		
During the competition (Feb.1 - Mar. 31), remind everyone to do their part on the morning announcements & weekly assemblies.
